INFORMATION FOR CAMPER

CAMPING TIPS

- ☐ Be sure to bring spikes or we recommend filling Ziploc bags with beach sand and placing them in the corners of your tent for added stability.
- ☐ Bring your battery operated flashlight or lantern and battery operated radio – absolutely no gas lanterns or flames are permitted.
- ☐ Be sure to pack your tent's rain fly and a tarp for under your tent, just in case it rains.
- ☐ Bring layers of clothing and a warm blanket or sleeping bag, nights can get chilly.
- ☐ It's a long walk from the street, so pack with this in mind. Small wagons or hand trucks are great for transporting gear to your camp site.
