

## **Beach Sports Tournament Event: Wristband Information & Inclement Weather Policy**

### **Wristband Information**

Wristbands are valid for access to Raging Waters Waterpark and Ocean Oasis Waterpark and Beach Club, *plus* the amusement rides on all 3 amusement piers all day during the Friday, Saturday, Sunday, & Monday of your event, during operating hours. Check Morey's Piers [operating hours](#). (Daily wristband restrictions apply: go carts, SkyScraper, SkyCoaster, High Flyer and Springshot are not included.)

Wristbands are offered exclusively to participants of Beach Sports Tournament Events at an incredible savings of over 75% off the general admission rate! (Savings is based on admission to the piers and all day admission to the waterparks for 4 days).

Coaches are responsible for distributing tickets to all members of the team. Players are responsible for obtaining tickets from their coach.

- Wristbands are NOT TRANSFERABLE. You may not give your wristband to another person. Attempting to sell or transfer Event wristbands will result in removal of wristband with no refund and you may be banned from the tournament. You must have a wristband for admission to the amusement rides.
- Wristbands must be WORN the entire Tournament Event weekend. Wristbands that are broken, tampered with, held in a pocket, loose on the wrist, or fixed to something other than a human being, will not be accepted for admission to the amusement rides or waterparks. Wristbands must remain on all guest's wrists throughout the entire event.
- Spectators are NOT permitted in the waterparks. In order to enter Raging Waters Waterpark or Ocean Oasis Beach Club and Waterpark, you must be wearing a wristband.
- There are no rain checks or refunds for event wristbands. Morey's Piers will attempt to operate during inclement weather as long as conditions are safe which will be determined at the sole discretion of Morey's Piers management. Passes are non-transferable.
- Guests must adhere to all ride requirements, obey all written and verbal instructions, and conduct themselves in a safe manner at all times. Failure to do so will result in immediate removal of your wristband without refund. This is a zero tolerance policy and violators have no recourse. Morey's Pier staff is trained to enforce all policies and procedures at all times

and to immediately report violations to management. Again, any violations of safety and other policies will result in the removal of the Guest's wristband - no refunds will be offered and you may be banned from the tournament for the entire event. State Law requires that each rider **MUST** obey all written warnings and directions regarding any ride and refrain from behaving in a reckless manner that may contribute to injury of the other riders. Failure to comply is a violation of law and subject to a penalty under the NEW JERSEY code of Criminal Justice. **VIOLATORS SUBJECT UP TO \$1,000 FINE AND UP TO 6 MONTHS IN JAIL.** Please [CLICK HERE](#) for more information on Morey's Piers safety policy.

- Waterparks may close for periods of time due to capacity. No refunds, additional time, etc will be granted.

### **Inclement Weather Policy**

If the Tournament is cancelled entirely because of weather, teams may receive either a partial or full credit towards the next year's tournament or a partial or full refund. The terms of any credits or refunds will be determined by Morey's Piers based on the specific weather and any other factors which Morey's Piers deems appropriate. All decisions will be communicated within four weeks of the scheduled date of the tournament. All communications will be handled directly between the Tournament Director and registered coaches via email.

If the Tournament is only partially cancelled or altered in any way due to weather, Morey's Piers will determine whether any credits or refunds are appropriate and their amounts. As with full cancellation, the terms of any credits or refunds will be determined by Morey's Piers based on the specific weather and any other factors which Morey's Piers deems appropriate. All decisions will be communicated within four weeks of the scheduled date of the tournament. All communications will be handled directly between the Tournament Director and registered coaches via email.

Tickets for Morey's Piers, obtained either as part of the 4 team passes or ordered separately online after the team was accepted through the accepted teams extra bands link are non-refundable. However, they can be exchanged if you are unable to use them because of inclement weather. If you order your tickets on-line, please make certain your order is accurate.

Morey's Piers may continue to operate during inclement weather independent of the tournament unless its management determines that conditions may endanger the safety of our guests. If the Tournament is cancelled completely because of weather, you may return your ticket and exchange it for a "Splash & Ride" combination ticket that is good for an all-day admission to all three amusement piers and an all-day admission to both Raging Waters Waterpark and Ocean Oasis. A "Splash & Ride" ticket never expires, may be split over two days (one day at the waterparks and one day on the piers), and may be redeemed on any day(s) during our operating season.
