Site Location: 4468 West 14 ave Vancouver BC
Job # : 112-545
Services Rendered: Underground Storage Tank (UST) Search
PID:
Legal Description:
Search Fee: $125.00 Paid: Visa/MC/AmX/Cash/Cheque *or* To Be Mailed

Action Oil Tanks performed an underground storage tank (UST) search at the above property using the best available equipment that included:

Visual investigation of the property
Manual probing of the property
Electronic metal detection using: Schonstedt GA52XT magnetic locater

Our investigation concluded that to the best of our knowledge, no buried underground furnace fuel storage tank exists at the property of the above stated address.

Please note that while our detection service may determine that an underground storage tank, and/or contamination do not exists on the property, Action Oil Tanks cannot guarantee 100% that the event of an undetected tank and/or contamination does not exists.

We are confident that our equipment is accurate in its investigation results. If you have any questions or concerns regarding the above, please contact our office.

Sincerely;

Independent Operator
Action Oil Tanks Ltd

Once payment has been received and processed we will file the above search data into our permanent database for future reference and verification.

ACTION OIL TANKS LTD.
