Thank you for the opportunity to quote on this project for you. Please review the following:

Description	Amount (excluding all Taxes)	Please tick items accepted
1) Replace damaged gutter on back side of house. NOTE: Our gutter profile does not match the existing one, we can splice the gutter into the existing one at the outlet at the north side on that run so that is not visible. We will use longer screws to fasten the gutter and install additional hanger.	\$ 850.00	
2) Clean organic debris from inside the existing gutter by hand on whole house. Look forward to working with you. Regards, Penny Johal	\$ 698.00	
NOTE: Additional surcharges may apply due to the volatility in the aluminum market caused by US tariffs.		
NOTE: Price quoted is valid for 30 days.		
NOTE: Installation of gutter and downpipe will be conducted to WorksafeBC standards, this includes tie off points and fall protection system.		
Warranty: 5 years limited warranty on labour 40 year pro rated on materials provided by Gentek Building Products Limited		
To accept proposal please sign and return via fax or send email stating acceptance and colors.
