

NON-DISCLOSURE AGREEMENT

This Non-disclosure Agreement ("Agreement") is made and effective _____, 2016

DISCLOSER: **Global Safe Technologies Inc.** (the "Company"), a corporation organized and existing under the laws of British Columbia, Canada, with its head office located at:

Unit # 265 19358 96th Avenue
Surrey, British Columbia, Canada V4N 4C1

TO: _____ (the "Recipient"), an [individual]
or [company] with his main address located at:

Dear Sir/Madam,

This letter will set forth the terms and conditions of an understanding and Agreement by and between you, and parent, subsidiary or other company otherwise related to you, your successors, assigns, officers and directors (sometimes hereinafter jointly and severally referred to as "you"), and **Global Safe Technologies Inc.**, and its subsidiary, otherwise related to you as the **Global Floor Safety Network**, hereinafter collectively referred to as "**the Company**", as follows:

In exchange for your execution of this letter, and your agreement to abide by the terms hereof, the Company agrees that, immediately upon execution of this letter, the Company will perform the service of disclosing to you confidential information, and/or delivering documents that will disclose to you, information and ideas that you might be interested in exploiting or otherwise utilizing for monetary gain; all of which information and ideas shall sometimes hereinafter be referred to as "the disclosed material".

In consideration of the Company's services as set forth hereinabove, you agree that you will not in any way whatsoever use or disclose to any person or entity the disclosed material, and you shall not use, disclose or participate in any way in the exploitation, sale or utilization of any idea, program or products similar to or substantially similar to the information and ideas disclosed to you hereunder, with the exemption of any current products you may have or use, unless and until you have hereafter negotiated and entered into a written agreement with the Company, setting forth to the full and complete satisfaction of the Company's involvement, and all other material matters pertaining to our said involvements and until you have reached a complete written agreement with the Company with respect to and compensation, consideration or other things of value that either of us shall receive in connection herewith.

In the event that you and the Company fail to reach a complete and full contractually binding written agreement as set forth hereinabove, you agree that you will not use, exploit, disclose, damage, deplete and/or interfere with the Company's full use and exploitation of said ideas and information.

If the foregoing meets with your approval and acceptance, please so indicate by execution of this letter in the space provided for your signature.

ON BEHALF OF THE COMPANY:

Global Safe Technologies Inc.
