TENNIS CAMPS

Designed to expose players to a complete tennis experience through an intensive, yet fun, week-long session.

Our professional coaches provide each camper with a clear understanding of the fundamentals, strategy, rules and sportsmanship. Campers will be evaluated on the first day of camp and placed in the appropriate group. Whether your child is new to the game or an accomplished tournament player, we have a camp program to fit your needs. We will be using a low-compression ball for children under 10.

Mornings are usually spent in mini groups or individual skill building sessions where campers will have plenty of time to brush up on their skills and learn new techniques. After lunch, practice strokes turn to game strategies as campers get the opportunity to put what they've learned to the test with some fun and friendly competition. Camps run rain or shine

- Indoor air-conditioned tennis courts
- Weekly option to cool off in outdoor water slide pool, laser tag, nerf tag & indoor game rooms
