## GET IN THE GAME!

### Mobile Fares

Download the CharmPass app and make fare payments faster and easier. Since tickets are stored on your phone, you can activate them when needed and can even purchase multiple fares at once for family members. Riders using CharmPass can also transfer free between Local Bus, Light Rail, and Metro Subway when traveling within a span of 90 minutes.

The 3-trip or 10-trip CharmFlex option on your CharmPass app costs about 15% less than individual fares and is ideal for occasional roundtrips to local events. Your CharmFlex fare is good for up to one year after purchase.

### Track Your Ride

The Transit app is another handy tool worth downloading onto your smart phone. It uses GPS technology to let you know when your bus or train will arrive.
