2020 CULTURAL RESOURCES ANNUAL REVIEW REPORT

Date: January 5, 2021

No Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) projects reviewed from November 23 through December 31, 2020 qualified for exemption under Appendix 1 or 2 of the Programmatic Agreement (executed November 23, 2020). No projects reviewed during this period qualified for exemption under any other Program Alternatives.

As per Stipulation I of the Programmatic Agreement, MDOT MTA did utilize its delegated authority to consult directly with the Maryland Historical Trust (MHT) on federal undertakings that did not meet exemption criteria with carbon copy of those consultations sent to the Federal Transit Administration (FTA).

As projects develop during the first quarter of 2021, MDOT MTA will have the ability to further implement the policies and procedures of the Programmatic Agreement.
