**MARC PASSENGER CODE OF CONDUCT**

- The conductor is in charge of the train. Follow his/her instructions while riding any MARC train.
- Please inform the conductor of any service problems you may experience or if you need assistance prior to arriving at your destination.
- Please do not stand in the aisles when seats are available. Standing is never permitted on stairs or in vestibules. Conductors will direct standing passengers to seats when available.
- Passengers must have tickets out for inspection or collection by any authorized MARC representative. Tickets may be inspected more than once during a trip.
- For your safety, passengers must be on the proper platform prior to the train’s arrival. Passengers who cross in front of, or behind the train while it is in the station, will be denied boarding.
- Improper fare, improper conduct, intoxication, or offensive actions will be tolled. Passengers displaying any of these behaviors will not be transported, and will be asked to leave the train.
- Please attend to announcements as they are made for your safety and convenience. All doors open at every station. Listen for announcements regarding which doors will open.
- No seats are reserved on MARC trains. Please do not inconvenience others by blocking or holding seats with personal items. Please do not place your bag on the seats.
- On most trains, Car 1 (the first car behind the locomotive) is the Quiet Commute Car. This car is intended to have a library-like atmosphere, with no electronic devices or loud conversations.
- The Quiet Commute Car is to be self-regulated by passengers, not enforced by the conductor.
