DRIBBLING BALLS

Vol 4. No. 4

20-8-76.

MATCH REPORTS:

CEBA - Men's 'A' Grade (Monday 16th)

Uni was soundly beaten by Melbourne Tigers.

VABA - Women's 'A' Grade (Wednesday 18th)

I think Uni won.

VABA - Women's 'B' Grade (Wednesday 18th)

UNIVERSITY (2) 36 defeated EEAMA 15.

Another crushing victory What a combination! With rucks dominating (Val marking everything that came her way) and the little guys picking up the crumbs, not to mention the odd bad pass from the opposition. Kerry was the hotshot foul (I do mean foul) shooter.

Scorers: Cathy DeVrye 8, Caroline 8, Kerry Lewis 7.

VABA - Men's 2nd Division (Wednesday 18th)

DEVILS 47 defeated UNIVERSITY (1) 46.

You should have seen the disgusted looks on some notable players faces, as Uni lost the game right on the siren. Having a lead of 7 points with about 5 minutes to go, bad passes and general slackness let Devils steal the ball time and again. - No use blaming the ref. for counting Devils last score (some say after the siren) because the scores should never have got that close!

Scorers: Ray Watson 16, Haggis 11.

VABA - Men's 3rd Division (Wednesday 18th)

Uni had a bye.

VABA - Men's 4th Division (Wednesday 18th)

MORDIALLOC 55 defeated University (3) 24.

With both sides playing a man-to-man, Uni gave top side Mordialloc a fright in the first half to be down 28-18 at half time. However, the disorganised offence die little in the 2nd half and frequently lost possession before a shot was made.

Vic. Business House - Men's 'B' Grade (Thursday 19th)

UNIVERSITY (2) 56 defeated MYER H.P.W. 34.

Uni had little trouble accounting for bottom side H.P.W. Both sides just went through the motions of playing the game out.

Scorers: Henry Cooper 18, John Neyten 12, Kevin Pye 8, Les Walker 8 (in 2nd half)

NB. The Women's 'D' Grade side who were to play in last night's final.....didn't. Marion told the Association that Uni couldn't field a team in the next ~~final~~ match (because of I.V.) If they won last night, so Uni had to forfeit its finals berth.

- Whoever had the 30 odd cloth badges (the club is supposed to have as assets) would they please make them available for sale - after all, monetary assets are more useful to the club, than a bagful of badges.

- Don't forget the Annual Dinner, Sept. 19th at Stadium Restaurant. Henry would love to take your \$10.00.

- A lot of people still haven't paid their annual subscription.....how about it?
Undergraduate - \$3.00.
Other - \$5.00.

- I.V. lists have finally been settled on.

Womens: Jan Langdon, Julie Sievers, Tricia Cashillo, Kay Macpherson, Wendy Woodburn, Barbara Robertson, Ann Compton, Mary Bourke, With Marion Higham as Manager, Coach, and Lois Morgan as Mighty supporter, Assistant coach and moral(e) booster.

Mens: Chris Macpherson, Jamie Keck, Laurie Littlechild, Les Walker, John Campbell, Henry Cooper, Andy Bett, Peter Dyer, Geoff Stamp.

A message from your venerable president.

- I was shocked to hear your editor admit he did not know who "Vaark" and "Sleight" etc. were - Oh ye of little memory! The elderly statesmen (old crocks) of the club are still around (very round) and playing, for lack of a better work, on Wednesday night, Div. 4 (average age 35) Stay tuned.

P.S. A quiz: Why is "Dec" (or Des) so called and what is his real name? Answer next issue.

- Editor's note: If we have any budding authors/authoresses among us (i.e. for match reports next week) could they place their contributions in the box at the Beaurepaire by Friday next please. *Bumper edition coming soon* (due to I.V.)
