

DRIBBLING BALLS

Vol. 9 No. 10

Yes folks, it's party time. Like it or not, your all new, improved committee has conned our social secretaries into organising the party to end all parties and it will be sensational. Attendance is of course compulsory for all club members and anyone contemplating becoming a club member. The idea of the party is to get the whole club together at one place so that people who play games (of basketball) on different nights or train at different times can meet others in the club and generally rage themselves stupid. Thus, a corollary of this aim is - if you don't turn up the whole event will be a bomb and we will have to shoot our social secretaries. This might not worry you all that much, but just consider the implications. We would have to find two new committee members, and in the immortal words of Tommy Hanlon, "It could be you!" Now, if you think that was a threat designed to scare you into coming to the party - you're probably a lot smarter than the average Dribbling Balls reader (whoever he is). Despite this you are guaranteed a sensational evening - **SO BE THERE!!**

The date for this extravaganza is Friday May 8. Have you got that? No? Try again

MAY 8	MAY 8	MAY 8
MAY 8	MAY 8	MAY 8
MAY 8	MAY 8	MAY 8

And now for those who can't read - the date for the party is Friday May 8. There are two ways to arrive at the venue :-

- 1) Meet at the Clyde Hotel at 9:00p.m. and be personally guided to the venue by one of our delightful escorts
- 2) Go directly to the venue listed below - do not pass go, do not collect \$200.

VENUE :

The best part about all this is **IT'S FREE!** All you have to bring is yourself (or leave yourself at home and bring someone else should you so desire) and a hat or glasses. Don't worry if you don't have a hat or glasses - come along anyway, as long as you wear a hat or some glasses. (It's BYO drink too, but I forgot to mention that).

YOU WILL ENJOY YOURSELF - ZAT IST AN ORDER!! SO BE DERE - ZAT IST AN ORDER TOO!!

Now aside from the party you may have read about somewhere recently, our social secretaries have planned several other stunning events (under threat of re-election next year if they didn't). These are all proven successes (the events - not the secretaries) and include :-

30/5 Going away party for Mal Short
 6,7,8 June - Portland tournament
 13/6 Progressive Dinner
 5/7 Car Trial

All these events depend on participation to make them successes and you will be more than welcome at any or all of them - so please come along.
