

One Minute Free Traffic Signing Up For Quora

Bonus Video Transcript

Alright, so we're going to really jump right into it. I'm going to walk you through how to sign up for Quora and what I've got for you is a demo. I'm going to be using a brand new account set up and it'll be an incognito mode, so I'll blur some things out or hide some things, but the signup process as you'll see is very straight forward. Let's get into it.

All right, so as you can see, I'm here on quora.com I could continue with Google or with Facebook. My preference of course is continuing by email just for the sake of simplicity and I manage most things in my business with email versus using these third party connections. So I'm going to do that. I'm, I go ahead and continue with email. You'll see that it's very straight forward. First name, last name, email, password and so forth. So I'm going to go ahead and do that. When to pause the screen, we'll be right back and immediately after signing up you will see that you'll want to select your interest. Now, of course, this depends on your market, on your niche. And so you can just kind of go ahead and do that.

Now this is pretty important. That being said, for this demonstration for you, I'll, I'll pick technology science. How about a marketing and maybe finance and we'll move a little bit further here. We've got maybe investing and sales. You can see right there, it says five more topics and it can continue maybe investment strategies, uh, advertising and advertisements, social media, marketing, maybe personal finance. You can see I'm kind of focused on the, uh, on the money here. Oh, current events in science. Now I can continue, I'll click on continue. It's creating my personalized feed. This is very social. So as you'll see it's a lot like Facebook and that it's got this center news feed area. And it also lets you know, hey, these are things you ought to be doing to continue to set up your account. You can start searching immediately. You know, there's your profile feed, bookmarks. So this is very social. That's about all it takes to get set up, to get your account in place and operational. That being said, we are complete. I'll see you in the next video.
