

One Minute Free Traffic The Best of “X”

Bonus Video Transcript

I can't believe I'm giving this away, but there is an area and Quora where you can find a huge volume of wonderful questions that are easy to answer and provide a tremendous amount of traffic all in one. And the secret is what's known as the best of X. It's a particular topic we're going to take a look at. And in fact, let's go over to core right now so I can do a demo. All right, of course we are here on Quora and I'm going to do what I promised a moment ago, the best of x. Now this is pretty interesting right there. It's a topic. You can see that it's a topic best of X. I'm going to click on that and go into the topic and you can see that it's got almost half a million followers. And so it's so easy to answer these just, you know, look at this.

What is the best thing that has ever happened to you for being nice? Just take a look at that. And I mean it's, it's right here. We can look at the read or the answer or the links. If I go into this particular question right here, we can start to figure out is this worth going after while like it's got a tremendous number of followers, but the problem is that it already has a hundred answers, so you might want to answer this and go for it or you might not. So we can go back. We can say, okay, well how about what happens next? What does the biggest mind blow ever? Same thing I can go right in. It's going to have a huge number of followers, but also a lot of answers so it's a little bit frustrating at first, but you can go back and forth and back and forth so fast.

Now what I typically like to do is I go right over to answer and in fact let me do something else for you to hear it too is I am going to click bookmark because I want that on my home page. Again, as a new user, I'm doing that. Ah, here we go. This is a little bit better because now I already see the number of answers. When I click on answer, I already see the number of answers. So this is a big deal, right? Vim color schemes, no idea. Chat App, foreigners, no idea, right? And I'm going down phone, iPhone, I don't know this stuff. Oh, there you go. Look at this. How important is a smartphone for you? No answers yet. No answers. So this is extremely interesting. I'm going to go into this and I can see that there are, are ready three followers.

There are already three followers. All right? Another thing too is that I want to show this to you right here. See that these are tags. These tags are great because now I can click on these and it's going to take me over to yet more pages, more questions and answers in this particular area, this arena. But this is just awesome. Three followers and let's see what we've got here as far as views, views and the views here and he views yet I'm trying to get down there anything I can see question stats. Look at this. This was asked 13 hours ago and it's already got nearly a thousand views and three followers. This is, this is a jackpot opportunity for you. Now it says no answers yet. There is one answer, but it's, you know, collapse. Why is that? Yeah, look at this. This is so lame.

This is a terrible answer. The answer is so bad here that Quora just says this is useless. This is of no use, no value to anyone. That's why utilizing One Minute Free Traffic, the strategies and techniques are so exciting to me cause this is so useless. This is your competition and yet here you are and you're going to be able to crush it. This is so easy. How important is a smartphone? Do you? You just make a list of all the reasons why smartphones are so powerful. You can talk about things like the camera, the pictures, the memories that allows you to do. It's an extension of your memory of your family. You can do, you can use all kinds of apps. You can make money with your phone. It goes on and on. You can easily do a top 10 list with us. If you're not familiar with the top 10 list secret, you've missed something in the

previous trainings, please go back and look at the previous trainings and you'll find out exactly what I'm talking about and how to answer this extremely fast and just get loads and loads of free easy traffic.

This is such a win. I'm really excited for you. And then there are many of these over in the best of X.
