

Material Safety Data Sheet

Hosiery Mate®

SECTION 1 - Product and Company Identification

PRODUCT NAME: Hosiery Mate®

MANUFACTURER: Hexagon Packaging Corp

ADDRESS: 1731 S Lakeside
Waukegan, IL 60085

EMERGENCY TELEPHONE NO: (847) 473-5500

Chemical Family: Aqueous polymer solution

Hazard Classification: Non-hazardous liquid

NFPA Rating: Health - 1/ Flammability - 1/ Reactivity - 0

SECTION 2 - Hazardous Ingredients/Identity

This product is non-hazardous as defined by OSHA 29 CFR 1910.1200, SARA Title 313, and CERCLA 40 CFR 302.4.

SECTION 3 - Physical & Chemical Characteristics

Boiling Point: 140° F

Specific Gravity: 0.990

Vapor Pressure: N/A

Vapor Density: N/A

Solubility in Water: Soluble

Reactivity in Water: None

Appearance/Odor: Beige liquid, floral odor

Melting Point: N/A

SECTION 4 - Fire & Explosion Data

Flash Point: N/A **Method Used:** N/A **Flammable Limits** LEL: N/A UEL: N/A

Auto-Ignition Temp: N/A

Extinguisher Media: Product will burn if exposed to extreme heat. Use water, CO2, Dry Chemical or Foam Class A, BC, or ABC extinguishers.

Special Fire-Fighting Procedures: Self-contained breathing apparatus.

SECTION 5 - Physical Hazards (Reactivity Data)

Stability: Stable **Incompatibility:** Strong acids & alkalis

Conditions to Avoid: Strong acids and bases

Hazardous Decomposition: None

Hazardous Polymerization: Will not occur.

SECTION 6 - Health Hazards

TLV: None established

Medical conditions aggravated by exposure: None known.

Potential Effects of Overexposure:

Eyes: Can cause slight to moderate irritation

Skin: No adverse effects known during normal usage

Inhalation: Not a significant route of exposure

Ingestion: Not a significant route of exposure; no adverse effects known.

Emergency First Aid Procedures:

Inhalation: Remove to fresh air.

Eye Contact: Flush with water, get medical attention if irritation persists.

Ingestion: Administer lukewarm water. DO NOT INDUCE VOMITING, call physician.

Skin Contact: No treatment required.

SECTION 7 - Special Precautions and Spill/Leak Procedures

Precautions to be taken in handling/storage: None

Steps to be taken in case material is released or spilled: No special clean-up procedures are necessary for small (< 1 gallon) spills. For larger spills, mop, dike, or use absorbent material. Flush spill area with water.

Waste Disposal Method: Dispose of solid waste in accordance with all local, state, and federal regulations.

Section 8 - Special Protection Information/Control Measures

Respiratory Protection: Not required during normal usage.

Ventilation: General room ventilation is normally adequate.

Protective Gloves: None required; recommended for overly sensitive skin.

Eye Protection: None required.

Other Protective Equipment: None required.

Section 9 - Special Precautions or Comments

Precautions to be taken in handling and storage: Avoid exposure to extreme temperatures; keep from freezing.

Other Precautions: None required.

Revision Date: 2/01/2011 (supersedes November 28, 2001 issuance)

Although the information and recommendations set forth herein are presented in good faith and believed to be correct as of the date hereof, HEXAGON PACKAGING CORP offers no representations as to the completeness of accuracy thereof. Information is provided upon the condition that the persons receiving same will make their own determination

as to its suitability for their purposes prior to use.
