The Guaranteed Rate Foundation provides customized financial grants to those working to overcome extraordinary hardships. Adversity and challenges come in all sorts of forms. Through our work, we've seen how often a person can have one setback, which then allows further challenges to pile up. It can make it nearly impossible for anyone to stop the cycle.

An unexpected sickness leads to being unable to work, a natural disaster ruins a family's home, or a single mother leaves an abusive partner behind, sacrificing everything for the safety of herself and her young children.

Through the work we do, we've witnessed too many of these situations. We are committed to helping those in need, no matter what challenges they face. We consider our model unique, as only 2% of nonprofits give direct assistance to individuals. We don't focus on one just type of case, but instead choose to help where we can do the most good.

Below are Katrena, Rachel and Isaiah, who are just three of the many recipients whose lives have been impacted by the Foundation's work. By becoming a sponsor, your donation goes directly to grantees like them.

We aim to make 2024 our most impactful year yet. **Will you join us?**

Over **\$7.7 million** given to families and individuals in crisis since 2012.

100% of every dollar donated goes directly to those in crisis as Guaranteed Rate, Inc. covers all Foundation expenses.

More than **550 families**, made up of **2,000 individuals**, are impacted.
