Bob "Turtle" Smith

Bob "Turtle" Smith played for the Hubs from 1956-1958. Smith went on to play baseball at the University of Maryland after earning a scholarship from Terps Head Coach Jack Jackson. He started as sophomore and every game after that through his senior year. In Smith's senior year he was chosen co-captain and earned the Berger Cup, which is given to the baseball player for outstanding contribution to athletics through baseball. After college Smith became very successful in business, working for Xerox all over the globe. In 1980 Smith moved to Great Falls, VA and regularly attended Terps baseball games. Smith and his wife wanted to do something to help the program --- so they wrote a seven-figure check to benefit the baseball program. The University would return the favor and rename the baseball field Bob "Turtle" Smith Stadium for his generosity to the baseball program.
