Exciting News! Coming in the spring of 2019 to Maggie's Playground at Quarry Park will be all new playground equipment and swing sets. The Recreation Department is currently working on plans to replace the equipment at Maggie's with an anticipated re-opening next spring.

Following a recent inspection by Princeton's Municipal Insurance Provider, the inspector has requested that the town close the playground and swings due to safety concerns. Those concerns include deteriorating landscape and tree roots that have shifted the equipment. Due to the cost to address those safety issues and the age of the equipment, replacement of the existing equipment is the most viable option at this time.

We apologize for the inconvenience and appreciate your patience during this time. Thank you.
