Contact Address including city and zip code \_\_\_\_\_

Team (player) you would like to help sponsor \_\_\_\_\_

Team sponsorship based on first come basis. If you wish to sponsor the league in any amount with a certain reason in mind (such as equipment, general use, 8U catchers gear, etc...) please turn in this form with a comment in that section. Thanks for supporting PRGSL.

Dear Sponsor:

We have approximately 150 girls ranging in ages from 4 -16 playing fast pitch softball in our area this year. We also support our own All-Star teams. We are a member of USA Softball, Inc. USA Softball is the governing body for the United States national softball team. In addition, it oversees more than 150,000 amateur teams nationwide. It is a 501 non-profit organization.

Your generous, tax deductible, sponsorship helps us provide a safe and quality program for our young ladies. Your donation helps with the cost of field maintenance, clinics, equipment, insurance and much more.

**\$500 Gold Sponsor** – Helps with any extras for the team including but not limited to team swag or clinics. Receives a sponsorship plaque which includes a picture of the team you sponsored.

**\$250 Silver Sponsor** – 1 required per team. Helps with cost of uniforms and league fees. Your business name will be on the back of the uniform (Limited to one per team).

**\$100 Bronze Sponsor** – Helps with any extras for the team including but not limited to team socks or bows. Also helps with league fees. Receives name listed on PRGSL website.

I personally invite you to be a part of our program as a sponsor of one of our teams. All sponsors will also receive recognition and advertising by having their business card placed in our league program.

Thank you for supporting the young ladies of the Paso Robles Girls Softball League with your sponsorship.

Sincerely,  
Val Chreene  
PRGSL President
