BASKETBALL TRAVEL TEAM

In the ninth year of TEAM BULLSEYE we hope to continue to prove it to be one of the most popular in Northern Nevada.

Bishop Manogue's High School boys' varsity basketball coach Ralph Fields will direct this year's program, which will feature Bishop Manogue High's system of play.

Coach Fields has vast experience in running and teaching in camps and travel teams in California. Particular attention will be spent on fundamentals, offensive schemes, and individual play. A variety of tactics will be taught on the defensive side of the ball.

Players can look forward to a full schedule of learning and playing under the leadership of out- standing coaches that Coach Fields has brought together especially for these teams.

Our teams will play plenty of games throughout the bay area, Sacramento, Santa Cruz, Sonora, Tahoe and Reno. The summer session even includes a 6 day overnight camp in the Sonora hills, definitely one of the most popular parts of our schedule.

MIDDLE SCHOOL & HIGH SCHOOL

PROGRAM DIRECTOR

The director of camp is Ralph Fields who is currently the head boy's basketball coach at Bishop Manogue High School and former head coach at Amador Valley High School. Before becoming a head coach Coach Fields was the assistant coach with the varsity boys basketball team at Milpitas High School with legendary coach Steve Cain. Coach Fields has been an offensive force in the Bay Area for some time now. In high school, Ralph was a starter and all-league player on a #1 ranked team in 1995. He still holds the shooting records that stands today. In college, Ralph played at Foothill Junior college where he led the league in free throw percentage and three-pointers. After two years of playing and leading the team further than any other team in school history, he transferred to Menlo College. At Menlo, Ralph led the team to winning the school's first championship in the school's history while being ranked nationally for his offensive firepower. Ralph still holds numerous records at Menlo College where he finished his playing career.

When his playing career ended, he transitioned right into a coaching job at Milpitas High School. Ralph has been a director of camps all over the Bay Area (*Stanford, Santa Clara, Menlo, Milpitas High, David Thompson, Raymond Townsend, Isaac Austin, Belgium International Showcase and the Golden State Warriors Camp*).

Let's face it. Not everyone gets a chance to take a game-winning shot or average 20 points to a game. It is not because he/ she does not want to; it's just because they don't know what it takes. Determination, hard work, strategy and practice are just the beginning. Instant Offensive is about laying the foundation of how to take your offensive game to the next level. If you want to work on your defensive game, this is not the camp for you. Offense is a game in itself and we are going to teach you how to dominate it so when you go back to playing, you will not play the game the same, but instead you will be a better player.
