

D18 Spring 2019 Intermediate North/South Rules

*****All these rules are a supplement to LL Book Rule*****

1. Pitch count limits are spring 2019 ages as noted in the current Little League (2019) rule book.
2. The speed up rule is in effect; with two outs and your catcher is on base, he can be replaced with the last batted out so he can come in and get equipped for the next inning. This is a coaches option and not mandatory.
3. Mercy rule is book rule (10 runs after 5 innings for 50/70, 4.5 innings if home team is leading). 15 run rule is **NOT** in effect!
4. Continuous lineup. Free Substitution.
6. If by chance a team shows up with only 9 or 10 players then the team playing that team will have the option to bat their lineup or bat as many as the opposing team and play substitution rules. This by no means eliminates the mandatory play rule.
- 6. The winning team is responsible for inputting the score and all pitch count information on the website. (follow the score / pitch count instruction tab on the left). However, it is the Home teams responsibility to keep the official pitch count for the game.**
7. Rescheduling rain outs is the responsibility of both managers and their coordinators to get it rescheduled as well as getting that information to the Intermediate South Coordinator to update the website.
8. The home team should supply baseballs for each game and schedule umpires during the regular season. For the playoffs, each team should supply one umpire. Home team gets plate umpire & visiting teams gets base umpire.
9. No new inning will be started after 2.5 hours for 50/70 games. A new inning is considered started the instant the final out is recorded in the previous inning.
10. You may add pool players to get to 10 players. Maximum of 3 pool players in any one game. They must bat last and play positions as follows:
1 pool player - plays position 9, 2 pool players- plays positions 9 and 8, 3 pool players - plays positions 9, 8, and 7.
11. 1 balk warning per pitcher in regular season only. No balk warnings in playoffs.
