

LIGHTNING PLAYDAY GENERAL INFORMATION

Nearly 100 teams will be with us this coming Saturday, May 11 for Lightning Girls Playday 2019. A site map, revised game schedule (Version 2) and game play rules are posted here on our web site.

Rain or Shine

We WILL play on Saturday rain or shine. Any severe weather updates will be posted on our web site.

Parking

Parking has been and will continue to be an issue at West Windsor Community Park. The biggest parking lot in the Park is the first lot you come to on the right next to the skate board park and pool. You can get to all fields in less than a 10 minute walk from there. There is a drop off area near fields 1, 2, 3, 7, A, B, C for coaches and parents with gear, team tents, etc.

Team Tents

There are many grassy areas surrounding our game fields which can be used for team tents. Please do not set up team tents close to field end lines. Please note that grilling is prohibited in the Park. Important: The cricket organization has matches on Field 7 after we are done with it around noon. Any team tents near Field 7 should be down the hill away from the cricketeers.

Check In

Head coaches should check in at our main Information Tent next to the concession stand.

Food, Ts and More

We will be selling food, drinks, and Lightning Playday Ts at our main apparel tent near Field 1. We should have ample Ts on hand this year but it's always a good idea to get your Playday T-shirt purchase out of the way as soon as you arrive so you don't get shut out. Laxballstore.com, Spunkwear and others will be set up in our vendor village near Field 1.

Directions

West Windsor Community Park is located in West Windsor, NJ, 08550 at the intersection of Princeton Hightstown Road (Route 571) and Slayback Drive. This link will take you to a Google Maps page set to the Park's location. GPS users can navigate to 193 Princeton Hightstown Road, Princeton Junction, NJ 08550. Satellite parking address is 194 Princeton Hightstown Road.

Take 33 West to 133 West to 571 West toward Princeton. After merging on to 571 go to the fourth traffic light. Take right into WW Community Park at Slayback Drive/Bernt Midland Blvd.

We will see you Saturday in West Windsor!

Regards,

Cory Easter
