

Referee Coordinator Job Duties

1. Take the master schedule for our Gym from Stuart as soon as it came out and distributed it to all people interested in Refereeing.
2. Have volunteers fill in the games they were willing to do and coordinate them from there.
 - a. It is hard for them to commit that far in advance so there were a lot of open spaces, but it was a start.
3. Send out E-mails early in the week for the next weekend's games as a reminder and asking for help for the open slots.
4. Make calls later in the week if spots were still open.

Notes:

1. Prioritize the experienced Referees to do the 7th and 8th boys games.
 - a. I tried to get 2 adult experienced Referee for these.
2. For the 7th and 8th girls and the 5th and 6th boys and girls I would use the high school kids with one adult.
3. I did not work at all with the 3rd and 4th, that was left up to the coaches and 3rd 4th coordinator.
4. Raymond usually has a Referee clinic at the start of the season.
5. Anyone that has not done any should attend this clinic. It is pretty basic and goes over the mechanics of refereeing a two-man game and some of the rules.

Some of the kids that did it last year are:

- Tara Tilton
- Kyle Townson
- Aaron Dube
- Chelsea Cook
- Stuart Mitchell

Some of the adults that did it last year are:

- Stuart Mitchell
- Mike Koczera
- Ken Ryder -[patched]
- Bill Shaughnessy
- Kevin Dube
- Rob Porter

Pay for Referees

1. The NYA paid patched Referees \$20 and non patched \$10 a game.
 - a. Encouraged the kids to take the money. The adults all wanted to donate there time.
2. Kevin Dube will do some Refereeing so you can keep him posted.
