The Passaic Valley Sting is comprised of players from Little Falls, Totowa and Woodland Park. All of our coaches give their time voluntarily and no one is paid for their services. We strive to give our players a strong baseball and softball foundation and to develop a work ethic that transcends the game and carries over into their adult lives. The players will, or do, attend Passaic Valley Regional High School with the intentions of them competing for a conference, county and state title. We currently have over 200 participants, which consist of 7 to 12 teams from the age of 8 to high school age level. By introducing the children at an early age, they become challenged and better ball players. They also create great memories and friendships that will last a lifetime.

Since the cost of playing travel baseball and softball is expensive on families, we count on the generosity of businesses and individuals to help keep our kids' dream alive. Our goal as an organization is to raise enough funds so our participants play and train for virtually no cost. There are different levels of sponsorship available to help the players.
