Program Guide – 2018-2019 Season

Our mission:

"Serving the developmental needs of area youth through an organized hockey program that promotes the sportsmanship and team concepts of the game of hockey."

"Our philosophy is to promote growth and development of youth players in a fun, fair, and safe environment maximizing player participation and skill development at all levels while also developing sportsmanship, teamwork, and self-confidence. We believe participation in organized youth hockey should lead to the building of personal self-esteem, self-discipline, social skills, and respect for others. As such, we are committed to evaluating our programs, on an ongoing basis, ensuring that we serve our memberships' needs, developing our players at all skill levels, and providing a positive experience for our youth."

Our 61st Year!

1957-2018

Home Town Hockey –

Where you get to

play with your

friends.

**Unlike those "RINK" or "ARENA" owned programs –
We are a "TOWN PROGRAM" with a "TOWN TEAM – FUN
with your FRIENDS" approach.**

Our players get to "PLAY with the neighborhood kids!"

WELCOME TO CONCORD HOCKEY!

The ORIGINAL HomeTown Team

Concord Hockey

"FUN with Your Friends!"

Learn to Skate – (Clinic) Intro to Hockey – (Atoms)

Beginning Hockey is open to **boys and girls**, ages 4-9, with an emphasis on **FUN**. This program will teach the necessary skills of skating forward, backward, stops, turns, along with basic puck handling. Players are divided into two groups. The Clinic Group will learn the first steps in skating and stick handling. The Atoms Group is for players that have mastered the first steps. Short cross-ice scrimmages will be held during the later sessions. Players will skate twice a week for 10 - 11 weeks – approximately 20-22 lessons. We offer a fall term from October to the end of December and then a winter term from January to March. Players can choose to register for both terms or each term separately.

Tuition for “Clinic” is \$149 per term. Session times are usually mid-Saturday and Sunday mornings (usually 9:00 am to 9:45 am). Tuition for “Atoms” is \$159 per term. All sessions are held at the Everett Arena. Players are separated based on skill and age and then - each is assigned to a team at their designated skill/age level. Please note: All participants must wear complete hockey and safety equipment. We realize not all players will love the sport as much as we do. Therefore, for ALL learn to skate participants, if after four lessons, a child does not want to participate, CYHA will refund your tuition.

THE DYNO-MITE DIVISION PROGRAM BOYS & GIRLS BORN BETWEEN 2009 AND 2013

In concert with USA Hockey, AAU Ice Hockey, and NH Amateur Hockey, we have developed a program for this age group that emphasizes skill building in the basics of skating, stick handling, passing, shooting, and team play. We teach these skills in small groups. We’ll even play games in small groups! By doing this, each player receives the proper instruction on an individual basis! We begin with smaller teams of 8 – 9 players, playing approximately TWO times a week! We separate our teams into six on-ice stations with each station’s focus on a particular skill set. Players are less likely to be watching a skill than doing them!! Then we play small games to reinforce these skills learned. **Once our players have a “feel” for the game, we transition into “full-ice” games later in the season!** Our Home Ice is at the Everett Arena, Concord, NH but additional ice may be used at The Tilton School. Usual ice times are anticipated to be on Saturday’s starting at 6:45 am for our Two Skill Sessions. Sunday “game days” will find us conducting CROSS-ICE games from Oct to Dec. Then, from January to season end, we will hold **“FULL ICE”** games. Small teams of 8- 9 players are formed during the CROSS-ICE session and increased to 12-14 players during **“FULL ICE.”** To end our year, we hold a **“FULL-ICE”** – divisional playoff – our “Tarzan Healy” Tournament. The Dyno-MITE division is Travel Hockey preparatory and designed to introduce players to the skills needed to advance into Travel Mites or Squirts. More Ice Time + More Puck Touches = MORE FUN!! Tuition: \$829 -payable in three installments!

SEE YOU ON THE ICE!

Registration begins now on our website at:

New & Pre-Owned Equipment Yard Sale

Not sure what your child will need to play hockey? The guide to the left will give you an idea. To assist in keeping costs of hockey manageable, Concord

Youth Hockey is holding its 32nd Annual Equipment Yard Sale –We are partnered with CAPITAL SPORTING GOODS to assist our players in obtaining new and pre-owned hockey equipment at discounted pricing. Experienced CYHA Coaches will be there to assist parents in properly outfitting players. Coupled with the “Yard Sale,” we also conduct registrations for our Clinic, Atoms, and DynoMite programs.
