

BARTHOLOMEW COUNTY BEARS YOUTH FOOTBALL LEAGUE

Dear Friend of the Community,

On behalf of the Bartholomew County Bears Youth Football League (BCBFL), we would like to extend an invitation to you and your company to become a sponsor for our fall 2020 season. BCBFL is a not-for-profit organization that provides youth football and cheerleading opportunities for more than 100 boys and girls annually in and around Bartholomew County.

BCBFL is a member of Central Indiana Bantam Football League (CIBFL). Our team is open to all youth in Bartholomew County and surrounding areas in grades K-6th. We are a traveling league designed to bring our youth closer together through common interest in sportsmanship and competition.

The BCBFL has been in operation for over 40 years, with the mission to provide youth a SAFE, positive, fun and worthwhile experience while nurturing their interests of football and cheerleading. Our program and our coaches believe if children are given the correct guidance and encouragement, they will be successful on the field and in the classroom.

Sponsorships are a crucial component of our league, as we strive to maintain a minimal registration fee for our players. We have continued to provide our athletes the opportunity to learn and compete in football and cheer for a minimal fee of \$100 over the last several years, while also maintaining SAFE, updated equipment at no additional cost to the players. Our league is also committed to providing scholarships to cover the cost of registration to those youth in need in order to ensure everyone gets the same opportunity to participate.

We would appreciate your support in helping the BCBFL continue its mission to provide this experience to the youth in our community. Please review the attached sponsorship options to decide which best fits your organization's interests. Please complete the attached form and mail to:
