Re: Softball Sponsorship

Another softball year is upon us and with your continued support we expect yet another year of success for our youth.

The result of your continued support affords our Association the ability to provide our youth with uniforms and the most up to date equipment in the field of softball. As stated in previous request for your continued support of our youth and Association, your sponsorship helps support (in part) an estimated 200 young women in our community.

To sponsor a team, please remit to our address listed below, your sponsorship fee of \$100 for T-Ball; \$200 for Pigtail & Jr. Prep; \$250.00 for Jr. League & LT League. Many thanks.
