### **SAYB&S Information**

SAYB&S is a non-profit organization that is formed "to reinforce the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority while teaching the fundamentals of baseball and softball".

Over 800 youth play in our leagues each year.

We also run a youth umpire program and clinic. Visit our website at [www.saybs.org](http://www.saybs.org) for information and schedule.

For registration information, please contact Brendan Cousino at [saybs.reg@gmail.com](mailto:saybs.reg@gmail.com)

Outside it may still be cold and gray, but spring is right around the corner, and it is time to start thinking about the upcoming baseball and softball seasons. Regular registration will be open until February 28th.
