PRESIDENT AND CEO

Dear Little League President:

It is my sincere pleasure to present your league with its Certificate of Charter for the 2014 Little League season. Your entire program can take pride in being a member of the Little League movement, the world's largest and most prestigious organized youth sports program. The staff and Board of Directors of Little League Baseball and Softball join me in wishing you success in your duties associated with the office of league president, one of the most important volunteer positions in the Little League program.

Since 1939, millions of dedicated volunteers around the world have provided the joys and benefits of Little League to the children in their community. Through the principled concern of adults who provide a wholesome, supervised activity and hold a genuine belief in the value of the Little League program, more than three million participants proudly wear the Little League emblem every summer. Your acceptance of this Charter is a pledge of faith to perpetuate this tradition.

As you are well aware, Little League is much more than bats and balls. It is a leadership-training program that instills in youth, during their most impressionable years, the virtues of character, courage and loyalty. The Little League program teaches children the rewards of teamwork, a respect for authority and the self-discipline that will enable the youth of today to become the leaders of tomorrow.

You personally, as well as your entire community, will be rewarded many times over in the future for the efforts you put forth today. The guidance you provide to the children of your league will be carried with them throughout the rest of their lives. You will be helping to create exciting memories of childhood that can never be recaptured nor relived except through the fondest recollection.

Best wishes for a successful 2014 Little League season.

Sincerely,

A handwritten signature in black ink that reads "Stephen D. Keener".
