

Freestyle Plus Wrestling Camp

Head Coach Founder 1970

Coaches-Parents-Athletes

Thank you for giving me the opportunity to talk to you about one of our exciting Cobra Wrestling training camps. This flyer outlines the material I will cover in this camp.

Along with the wrestling techniques that are covered, I will speak to you and share some real-life stories about many of the great kids that I've had the opportunity to coach and learn from myself.

I have had the opportunity to coach 6 Olympians, 1 Olympic silver medalist, 1 Russian Games world champion, 2 US world champions, 14 age group world champions, 7 Junior National ASICS outstanding wrestlers and many state and national champions. So with over 56 years of in-the-room coaching experience, I have much to share, stories to tell, and I will share with you what I have found to be the keys to Victory, the Seeds of Greatness and Secrets to Life's Success.

I look forward to sharing a vision for VICTORY with you soon.
