A Message from the CBBC President

As President of the Cardinal Baseball Booster Club, I would like to acknowledge the generous sponsors, donors, and volunteers who made this 2024 Year Book possible. Thank you to the parents who put in countless volunteer hours of hard work to make the many events of this year a success.

The Bellaire Baseball Year Book serves as a media guide for the local community and as a memento of the season for our Cardinal Baseball Family. It gives us the opportunity to showcase the talented and dedicated players and personnel that make Bellaire Baseball the recognized program that it is.

Without your generosity, CBBC would not be able to provide the support that is necessary for success. Proceeds from your time, talent, and treasures, as well as fund-raisers go to the support of your Bellaire Baseball program.

We hope that you enjoy this memory book of our winning 2024 Season. Thank you for your on-going support and dedication to the Bellaire Cardinal Baseball Team

Jerry Yates
CBBC President

A Message from the Coach Ozuna

Bellaire Baseball Family,

I'd like to thank all our players, parents, families, alumni, administration, and community supporters of Bellaire Baseball for another successful season. I can't run the Program without all the help and support we get, so thank you! The cards did not fall in our favor and Varsity dealt with a lot of adversity this season, but the boys never quit playing hard. I'm proud of them for that. Each year brings different challenges, and we met those head on. The efforts of our JV and Sophomore players as well gives us hope that our future is bright at 5100 Maple Street.

Each player knows that being a hard worker on and off the field is expected, as we seek excellence on the field, in the classroom, and in the community. The boys demonstrated this on all fronts this year. From the cold rainy days to the hot practice and game days, pressed both coaches and players to be "Mentally Tough". Parents and fans too. It's one of our Core Principles as a Bellaire Baseball player. Enjoy the Grind and Process because the game does not last forever.

I'd like to thank my assistant coaches as well for their time and commitment to the boys and Program. It's an impossible feat to do alone, so I thank Coach Newsom, Drake, Manuel, and Moritz for their efforts, along with Suiki Boardman who is an integral part of our Program operations. My coaching staff and I are proud of the fact that we are developing young men, instilling a strong work ethic, and teaching a winning, fundamental brand of baseball. Being a solid and great teammate is a staple of our Program, and that mindset and skill is something they can take with them in other parts of their lives.

In closing, as I've mentioned in parent meetings before and to the team, playing baseball at Bellaire High School is a privilege. Be proud that you have been a part of this journey as I know I am too as Head Coach of the Program. The Tradition is rich and our culture of being a "TEAM 1ST" guy is what will continue to move us forward in our process of being the best we can become. Also, I'd like to thank all the Seniors, as you move on to the next chapter in your lives. You'll always be Cardinals and best of luck!

Coach Nick Ozuna III

Head Coach - Bellaire Baseball

Head Coach, Nick Ozuna III

As Head Coach of the Cardinals, Nick Ozuna III, is no stranger to Bellaire High School or the rich tradition of the Bellaire Baseball Program. Prior to being named Bellaire Baseball Head Coach in 2017, Coach Ozuna was an Assistant on staff from 2005 – 2016. In addition to working for Bellaire High School for more than a decade, he is a 1994 graduate of BHS and was the starting shortstop for Bellaire's 1994 5A State Championship team. Ozuna was inducted into the Bellaire Baseball Hall of Fame in 2000 for his accomplishments as a player under legendary Coach Rocky Manuel.

Prior to the 2016 season, Coach Ozuna was named Assistant Head Coach of the Bellaire Cardinals. "I can't say enough about what I learned as a player and assistant from Coach Manuel; about this great game we teach to our players but more important than that, besides my DAD, no other person has taught me more about how to be a man. I hope to have the same impact on my players as Head Coach."

Coach Ozuna grew up in southwest Houston with his Mom, Dad, and two brothers, both of whom played for the Cardinals. Mother Yolanda is a retired educator. In his spare time, Coach Ozuna's dad, Nick Jr., coached off season Bellaire in the 90's, working with the eventual 1999 National Championship team. He has been involved with the KC Chapman Pony League since 1989. "I guess it is safe to say, I come from a baseball family. I learned so much from my Dad about the game growing up."

Coach Ozuna married his high school sweetheart, the former Melissa Workman in 2005, and in 2006, they welcomed twin boys, Vincent and Dominic. In 2008, daughter Nina, was born. All three kids are involved in sports, with the boys continuing the legacy as juniors at Bellaire HS, and Nina playing BHS softball. What Coach and Melissa Ozuna are most proud of though, is the academic achievement and great education that their children are getting in Houston ISD.

Cardinal Baseball's legacy has had three big chapters. Started by Coach Howard Allen, winning the first State Championship in 1960. The second, started two years later with Coach Ray Knoblauch winning four State Championships in 1962, 1971, 1978, and 1986. The third chapter was led by Coach Rocky Manuel, taking it all in 1994 and 1999, and having some great runs thereafter. Coach Ozuna leads the Bellaire forward with this message, "the hardest thing to do in amateur or professional sports is to repeat as a champion or to replace a legacy of coaches, but Bellaire High School and our Community is ready for the next chapter. "I embrace that and look forward to the challenge."

Bellaire's rich academic heritage is the foundation of Coach Ozuna's philosophy. "This is the investment these kids and parents are making to be a part of Bellaire Baseball. I'm talking about in terms of time and commitment and understanding; it's a process."

"Excellence in Academics and Athletics" is the motto of Bellaire Baseball. In addition to athletic development, Coach Ozuna wants to promote a culture of personal development by instilling values such as teamwork, work ethic, competitiveness, and perseverance. All players are expected to exhibit excellence, by being, Great in the Classroom, Great on the Field and Great in the Community.

COLLEGIATE CLASS OF 2024

The opportunity to play baseball at the collegiate level is a privilege granted only to a limited few.

Since 1955, over 200 different colleges and universities have signed Bellaire Baseball student-athletes to roster positions within their programs.

Bellaire Cardinal Baseball and the Cardinal Baseball Booster Club are proud to acknowledge the excellence both on and off the field that has resulted in the Class of 2024, taking it to the next level.
