A Message from the CBBC President

The Bellaire Baseball Yearbook serves as a media guide for the local community and as a memento of the season for our Cardinal Baseball family. It gives us the opportunity to showcase the talented and dedicated players and personnel that make Bellaire Baseball the recognized program that it is.

As President of the Cardinal Baseball Booster Club, I would like to acknowledge the many dedicated sponsors, donors, and volunteers who so generously support our program.

Thank you to the parents who put in countless volunteer hours of hard work to ensure the success of our many events this year.

Without the generosity of your time, talents, and treasures, CBBC would not be able to provide the support that is necessary to make our program successful.

I would also like to congratulate and salute our outstanding student-athletes who made us proud this season. Thank you for your efforts and hard work while wearing the Cardinal uniform. To our Seniors, I wish you much success as you move on with both your academic and athletic careers. To our coaches, you are the backbone of Bellaire Cardinal Baseball and we are forever indebted to you.

Jerry Yates
CBBC President

A Message from the Coach Ozuna

As the 2025 season has come to a close, I'd like to thank all the supporters of our Program. Our Program would not exist without the players of course, but the Parents, Families, Alumni, Administration, and Community that have a vested interest in our School and Program, it is very much appreciated. Thank you to CBBC and the Booster Club's efforts. It takes a village as they say.

The Senior class of 2025 (18 Seniors) was the biggest Senior class I have been associated with in my 21 years coaching at Bellaire High School. This was a special group of young men I've had the privilege to coach.

One of the things that I have always stressed to the players is to control your controllables. Another is always having each other's backs and playing the game hard and tough. The game rewards toughness. I hope this is something all can take with them, not just the players going on to play ball at the next level, as these lessons learned through the game apply to life too.

Even though we came up short in winning another District Championship and making a playoff run, these boys are champions in my eyes. Remember, a champion is not someone who wins all the time, a champion is someone that gives their full effort and everything they've got to win. This group of Seniors along with the underclassmen on the Varsity checked the boxes off on that. We played the toughest schedule in my 9 years as Head Coach this season and competed until the end and never gave up in the face of adversity.

To all the returning players and Sub-Varsity underclassmen, we have a lot of work to do, and I know you will be up for the challenge. There is an old saying that Coach Manuel used to say in the early 90s at the season's end, "We don't rebuild we just reload." I echo that. The expectations are just as high as they have ever been. Opportunities are waiting for those willing to pay the price. Work hard and keep striving to be an Excellence Seeker and a TEAM 1ST guy in all that you do. The BELLAIRE WAY!

Again, thank you Seniors. The coaching staff and I will miss you. Best of luck in your next chapter in life and remember no one wants to reach in a cage and pull out a Cardinal!

Coach Nick Ozuna III

Head Coach, Nick Ozuna III

As Head Coach of the Cardinals, Nick Ozuna III, is no stranger to Bellaire High School or the rich tradition of the Bellaire Baseball Program. Prior to being named Bellaire Baseball Head Coach in 2017, Coach Ozuna was an Assistant on staff from 2005 – 2016. In addition to working for Bellaire High School for more than a decade, he is a 1994 graduate of BHS and was the starting shortstop for Bellaire's 1994 5A State Championship team. Ozuna was inducted into the Bellaire Baseball Hall of Fame in 2000 for his accomplishments as a player under legendary Coach Rocky Manuel.

Prior to the 2016 season, Coach Ozuna was named Assistant Head Coach of the Bellaire Cardinals. "I can't say enough about what I learned as a player and assistant from Coach Manuel; about this great game we teach to our players but more important than that, besides my dad, no other person has taught me more about how to be a man. I hope to have the same impact on my players as Head Coach."

Coach Ozuna grew up in southwest Houston with his Mom, Dad, and two brothers, both of whom played for the Cardinals. Mother Yolanda is a retired educator. In his spare time, Coach Ozuna's dad, Nick Jr., coached off season Bellaire in the 90s, working with the eventual 1999 National Championship team. He has been involved with the KC Chapman Pony League since 1989. "I guess it is safe to say, I come from a baseball family. I learned so much from my Dad about the game growing up."

Coach Ozuna married his high school sweetheart, the former Melissa Workman in 2005, and in 2006, they welcomed twin boys, Vincent and Dominic. In 2008, daughter Nina, was born. All three kids are involved in sports, with the boys continuing the legacy as 2025 Seniors at Bellaire HS, and Nina playing BHS Softball as a Junior. What Coach and Melissa Ozuna are most proud of though, is the academic achievement and great education that their children are getting in Houston ISD.

Cardinal Baseball's legacy has had three big chapters. The first started by Coach Howard Allen, winning the first State Championship in 1960. The second, started two years later with Coach Ray Knoblauch winning four State Championships in 1962, 1971, 1978, and 1986. The third chapter was led by Coach Rocky Manuel, taking it all in 1994 and 1999, and having some great runs thereafter. Coach Ozuna leads Bellaire forward with this message, "the hardest thing to do in amateur or professional sports is to repeat as a champion or to replace a legend or legacy of coaches, but Bellaire and our Community are ready for the next chapter. I embrace that and look forward to the challenge."

Bellaire's rich academic heritage is the foundation of Coach Ozuna's philosophy. "The investment these kids and parents are making to be a part of Bellaire Baseball is substantial. I'm talking about in terms of time and commitment and understanding; it's a process."

"Excellence in Academics and Athletics" is the motto of Bellaire Baseball. In addition to athletic development, Coach Ozuna wants to promote a culture of personal development by instilling values such as teamwork, work ethic, competitiveness, and perseverance. All players are expected to exhibit excellence, by being, Great in the Classroom, Great on the Field, and Great in the Community.
