Open session:

1. **Jennifer/Derrick Krone for Mamba**-They were either going to register with North Texas thru RCSA, or use other soccer group. We will have them register through us as a competitive team for each team created. They have enough coaches for at least 1 coach per age/gender group. Player that registers checks the box that they want more information. RCSA will give weekly updates on those that check the box once registration opens. RCSA keeps the registration fee if player is contracted. Mamba will cut a check in the spring for the same amount paid per player contracted. Derrick is currently a Solar coach, his end goal is to have teams only under Mamba. The Mamba price covers league play, ref fees and uniforms. Tournaments will be an additional fee to be decided per team. Side note: North Texas was contacted to make sure we could have the question for information from Mamba.
