Tyler Farriell resigned to be able to go for the U5 Commissioner position in June.

Mario Ortega expressed interest in U6 Commissioner position in June.

Chandler resigned as Referee Assignor.

Chandler stated her qualifications for Vice President. A discussion was held without her in the room. A vote was held and everyone was in favor. Elliott nominated, Tyler 2nd, all in favor.

From GroupMe on May 17:

Doc stated per Elena and Erin that everyone running for a new position needs to resign from their current position(s). A Nominating Committee to be formed. Doc Thompson resigned from A&D Chairperson & any other interim positions he was handing to run for President. Austin Nance resigned from Chairperson of Concessioners to run for Referee assignor. Tyler restated he resigned U6 Commissioner to run for U5 Commissioner.

Side note on this: Conversations with Erin Pharmer and Elena Williams with North Texas it was brought to Jacinta's and Chandler's attention that we do not utilize a Nominating Committee per the Bylaws. This is something that we have to do. A Nominating Committee was created by Jacinta Sullivan and Chandler Nance with Patricia Chambers, Phil Hoefert and Isaac Usalazar as the Committee. An interest form was created for anyone to fill out if they want a position on the board. This is located on the website, currently on the first page under the June 1 meeting announcement. The website also states the positions that are up for election and the vacated ones.

From GroupMe on May 22:

Sarah Padilla resigned from Interleague Commissioner to run for President. The others mentioned above that resigned have removed themselves or was removed from GroupMe and any access they have to different accounts like Facebook.

Reports:

- Commissioner Reports
 - There is a U7 player that had asked for a different team due to practice scheduling conflict on 2/21/26. The Commissioner at the time was dealing with it. Since that time, that person has resigned and we don't know the outcome of the discussion except the player never showed up for practices and/or games and wants the registration fee she paid apply to the fall. This was accepted, Doc 1st, Chandler 2nd, all in favor.
- A&D Updates & Announcements-Upcoming hearing for Mr. Barr on Wednesday. Doc was given the match cards for the match where a spectator followed a referee into the restroom.
- Marketing-nothing to report
- Financials-Emailed out.

Notes:

Richard Chambers to assist the Bears since daughter is moving up age groups, and Tyler Brown to head coach the Pink Penguins next season.

Next meeting: Jersey design, Interleague decision.
