## Adopt A Lion

**Individuals, Families, Organizations, or Businesses can Adopt a Player**

**H**elp support Cathedral City's only youth tackle football and cheer program. We invite you, your family and/or your company to become a sponsor for our 2013 season. The Cathedral City Youth Football and Cheer Program is a non-profit organization and our mission is to develop all players in an environment which stresses sportsmanship, teamwork, and leadership.

### Why should you Adopt-a-Player?

Every season there are children who want to participate in sports activities like football and cheer, but most families are unable to meet the financial obligations. With your \$250 donation, you can help these children and families "stay inspired" and stay off the streets. This program is a great opportunity for you to help someone, and help our community. Children that are able to participate in sports learn discipline and are able to use these skills throughout their life.

### What you get for Sponsoring a Player

You will be informed of game times and location of your adoptee. You will receive a certificate of appreciation, and you will be recognized on our websites. Your donations are also tax deductible. If you have any questions in regards to adopting a lion, please give Jodie Diaz a call (760)406-2281.
