- Ensure your RNC Code of Conduct and Vulnerable Sector Check are provided to SJMBA
- Be familiar with Health & Safety Coordinator Responsibilities and help when necessary
- If there is no Health & Safety Coordinator present, designate a coach to fill in for that session
- Design practice plans with physical distancing in mind
- Remind players of guidelines and monitor physical distancing at all times
- Familiarize yourself with the Game Play Modifications Document
- Keep spectators in designated spectator zones (away from dugouts and backstop)
- Ensure players are physically distant and paying attention at their designated batting order spots outside of the field
- Help players vacate the field within 15 minutes of the game/practice conclusion
- Ensure players do not use the dugout during Rally Cap or practice sessions
- Have a rewarding and fun summer!
