

Punta Gorda 45+ Men's League Softball Standards

Sportsmanship & Fair Play are the Hallmarks of this Organization.

This League was established for the enjoyment of folks who love the game of softball. There are no Trophies or Cash Prizes awarded. What we benefit from are the experiences, the memories of games played under the lights with Good Friends. And the excitement of looking forward to each & every New Season as a chance to meet new players & hone our skills.

We emphasize the Safety & Wellbeing of all who participate and encourage everyone to think of other players first!

We need your help & your input. Get involved! Assist your team's managers, wear your shirts & hats in public to increase awareness of what we do here.

Ask friends, neighbors, clients, and co-workers to join our League.

Solicit New Sponsors & patronize their businesses.

This is a Great Organization & one of The Best Outdoor Activities in Charlotte County.

We encourage Players, Coaches, Board Members, and Fans to get involved in recruiting new players and help get the word out about this league.
