

November 25, 2019

To whom it may concern:

The Klein Collins Baseball Booster club is organized as a nonprofit corporation consistent with Section 501(c)(3) of the Internal Revenue Code. We are organized to provide financial support the Klein Collins Baseball Team's actual and recurring costs. Klein Independent School District apportions \$ 2,500 per year to the Baseball program which is inadequate to meet the basic costs to run the program. It takes on average \$20,000 per year to meet the basic needs of the program. These include maintenance and improvements to the field, insuring the safety of the players and spectators by replacing cage and "L" screen netting, maintenance of the equipment used on the field, etc...

To help raise funds we are hosting a Golf Tournament with a silent auction fundraiser at Windrose Golf Club on January 20, 2020. Our Booster club is collecting donations such as gift cards, gift certificates or merchandise that we can auction off or use as raffle prizes during our fundraiser.

If you would like to sponsor a hole or play in the golf tournament, please fill out our golf tournament sponsorship form.

Thank you in advance for considering to support our organization any way you can. All donations are greatly appreciated.

Feel free to contact me by email or phone with any further questions or information about KCBBC.

Best Regards,

David Heidemeyer
