## 1. Call to Order / Approval of Minutes (7:00 p.m.)

- **Attendance via 'Google Meets':** Angie Schmidt, Jason Schwertfager, Laurie Oliver, Katrina Schwertfager, Andrew MacDowell, Lisa Green, Julie Scott, Jennifer McElroy, Jennifer Settles, Jill Leonard, Coach Earl Devanny, Coach Julia Scott

## 2. Budget / Raffle Fundraiser:

- All expenses up to now have been paid for leaving a remaining boosters budget of just over \$200.
- A balance of \$12,000 is typically needed each year
- **Pre-season fundraising was obviously limited, so the Raffle is extra important this year to reset the budget and need EVERY player to sell 20 raffle tickets**
- First raffle collection was approximately \$1,500
- In previous years, restaurant night fundraisers brought in just under \$2,000, which we were not able to have this year due to COVID
- The OAB booster drive (all sports) will be on-line this year and the opportunity to support will be available for a month

## 3. Coach Updates:

- COVID / Scheduling Update
  - Feeling optimistic about the season moving forward and hoping for an announcement by the Governor soon – once announced we will know more about game schedules (whether existing schedule or modified)
  - If we do have a season and a team is unable to play due to a player testing positive, then that entire team needs to quarantine for the recommended amount of time and forfeits the game (**extra important that players maintain social distancing, masking and covid protocols throughout the season to avoid forfeitures**)
- Varsity
  - Full practices as a team, energy level and competition is good
  - Weight room instructor is new and girls are working well with him
  - Leadership Council doing an amazing job with all the new restrictions
- JVA (Julia)
  - Team practices
  - 1<sup>st</sup> time many of these girls are playing together
  - Good team chemistry
  - 3 captains, but teaching how each player can be a better leader
- JVB (Allie)
  - Building relationships on and off the field
  - Technical skills

## 4. Boat Jackets / Bags:

- Ordered and arriving in the next two weeks

## 5. Game Attendance Protocols:

- 750 attendees for home stands; 350 for visitor stands – OHS stands have already been marked for social distancing
- Only 2 people will be allowed in the press box (clock/announcer & game stats)
- Modified game announcing – players will not shake hands
- Game videography will need to take place from the stands (not allowed in the press box) – **seeking a parent volunteer to record all varsity games for HUDL**
- Masks will be worn on the sidelines at all times
- Ball kids will not be utilized this year – **seeking a parent volunteer to sanitize game balls during games**
- Many COVID 19 rules – will keep as informed as possible

## 6. Volunteer spots:

- The list on the right side of this page indicates present volunteer committees and the chairs plus open positions
  - Still looking for parent volunteers for many open spots:
