

Summer Hockey League Inc. Program Agreement and Release from Liability

I, _____, have enrolled my son/daughter _____, in the above identified summer hockey program. As a condition of such enrolment, I understand and accept that both myself and my child will be required to adhere to a code of sportsmanlike conduct that respects not only his/her own personal safety, but also the personal safety of his/her fellow players from all teams, coaches, bench staff, referees, and arena officials.

In respecting the personal safety of others, both I as the player's parent, and my child (who has signed their name to the bottom of this document along with my own signature) agree to abide by the following rules, and accept that any violation of same could result in both my and / or my child's removal from play and from the arena either temporarily, or permanently for the duration of the intended season. As this is not regular season play, I agree and accept that the decision of the coach in excluding myself or my child will be fair, reasonable, and final, and will not be appealable to any third party. I further accept that this may further involve the forfeiture of any fees, and without any refund that I have paid for the enrolment of my child, as said fees are necessary for the support of the entire program. While applying logic and reasonable behaviour in my and my child's conduct generally, both myself, and further my child, together agree as follows:

1. To use respectful language in his, her, my dealings with players, officials, bench staff and other parents at all times;
2. To refrain from behaviours that would be considered as bullying, harassing or annoying ;
3. To refrain from violent play at all times; and
4. To bring honour and respect to myself and my child at all times while involved in the Summer Hockey Program.

As I fully understand that the parties who have organized this summer program are volunteers (whether a stipend is paid for their time or not), I recognize that while diligence and common sense will be applied by the organizers, coaches and other volunteers at all times, that accidents can and do happen, and are generally outside of the control of these persons. I accordingly waive all right of action on my behalf, and any party who could advance a claim under section 61 of the *Family Law Act*, and further on behalf of my minor child, as a condition to, and consideration for, their enrolment in the within summer hockey program. Any coach, volunteer or organizer involved with the Summer Hockey Program may rely on this Waiver as a Full and Final Release and Discharge from liability, unless the conduct of said person or persons would be deemed by a Court of competent jurisdiction in Ontario as gross negligence, or criminal in nature as provided for under the *Criminal Code of Canada*. I acknowledge that my and my child's signatures below have not been made until after this agreement has been fully read and understood by me. I also acknowledge that I was permitted an opportunity to delay in signing this document until I was able to obtain legal advice, and that my and my child's signature have either been applied to this document because I obtained such advice, or I chose to waive said advice.
