This Chart is to be completed as the game progresses.

Game#, Team Name, and each Pitcher's Name and Uniform Number are to be recorded.

Place an "X" in the block that corresponds to each inning that a pitcher has delivered a pitch (one pitch in an inning constitutes an inning pitched).

Scorekeepers should sign the form and secure it with the Official Scorebook.

It is extremely important that this Pitching Chart be kept accurately.

Your Cooperation is greatly appreciated! THANKS
