

Fall ball is much more laid back than summer ball. You may only have 2-3 practices during the whole five week season. It's a great way to meet new people as teams are made up of players from all over the Crow River league. Players from the same community may or may not be kept together. Part of the fun of fall ball is mixing it up and playing with players from other towns. **In 2017 we had 198 players!**

All games are played on Sunday afternoons at either 12p/1:30p or 3p/4:30p.

The locations vary each week. The cost to play is \$85/player and includes the jersey.

New this year is a tournament in Waterloo, Iowa being offered over Labor Day weekend!

Registration is now open at www.crowriverfastpitch.com and will close on August 4th.
