

The Westview Legacy Brick Paver Program

Imagine your family name etched in brick alongside the Westview Varsity Baseball Field! Become a permanent part of Westview Baseball history alongside current and past players, coaches and other community members!

Help make Westview the premiere baseball venue in San Diego with your donation of a personalized brick. The next phase of our project will include a vast training complex down the left side of the varsity field which will be equipped with hitting stations, two full size batting tunnels and pitching mounds. The final phase will be to partially enclose the structure with a roof and lighting.

So give a gift that will last for years in the name of your sons and/or daughters regardless of their sport or activity! Or, advertise your business with a personalized brick!

Just complete the form, printing it exactly the way you want your brick to read.

The bricks will be assembled in the outfield section of our “field”, which is located between the brand new Snack Bar and backstop!
