

MARCH 17, 2020

RE: CFYFL MESSAGE TO OUR FAMILIES AND PARTICIPANTS

Dear CFYFL Families,

The Central Florida Youth Football Leagues priority is the health and safety of our athletes, coaches, staff and families.

Like all of you, we at the CFYFL is closely monitoring the rapidly developing situation with COVID-19 (Coronavirus). And like you, we are adapting to the challenges and safety concerns in real-time, while working to continue fulfilling our mission of serving our youth athletes.

Sports are central to all of our lives. They serve as an escape from everyday challenges, a tool for teaching life lessons to people of all ages, and a shared passion that unites people of all backgrounds. Together, we will get athletes back on the field as soon as possible, and again be united by the power of sports.

As of today we will pause our team practices and delay the start of our spring season games until March 30 th . We will reassess the situation at that time and determine the next course of action. We are working hard to make sure our kids have a safe and fun spring season.

Please make sure you download the BAND APP for league information
