If you have any questions, please contact Human Services Director Andy Rogers at 413-538-5030 x6203 or arogers@southhadleyma.gov.

We are debating putting business banners on our turf field this fall. If we decide to do that, we will reach out about how much more that would be; however, we will give you a credit from this donation for that project.

Here is a mockup of the new jerseys!
