

HOW TO REGISTER FOR YOUTH LACROSSE

Step 1: To play lacrosse in any league in the state, all players must have a US LACROSSE membership. Go to www.uslacrosse.org and click on JOIN/RENEW NOW

link on the right sidebar . The price is \$25 and is good for one year from the time you register. Your membership includes 6 months of US Lacrosse magazine and player insurance. Once your registration is complete, you will be assigned a **US Lacrosse number**. You will need this number to participate in any recreation, travel or HS lacrosse event. You will need to enter it on the CYLA online registration form.

The US Lacrosse registration can be a little confusing so here are some screen shots to get you through the process;

1. When you click on the JOIN/RENEW NOW link you will see the following page... complete it and hit submit.

The screenshot shows the US Lacrosse website's registration page. At the top, there is a navigation menu with links for Players, Coaches, Officials, Administrators, Parents, Events, Rules, Education & Training, and Programs & Grants. On the left sidebar, there are links for USL Store and Shopping Cart. The main content area is titled 'Welcome to US Lacrosse!' and contains a form titled 'Tell Us Who This Membership is For:'. The form includes a sub-header 'Please tell us about the person joining or renewing with US Lacrosse today: *Required'. The form fields are: Member's First Name (Jane), Member's Last Name (Doe), Member's Date of Birth (12/21/1999), Member's Zip Code (30114), and Member's Email (creekviewlacrosse@gmail.com). There is also a field for 'US Lacrosse Member Number (if known):'. At the bottom right of the form, there is a 'Submit' button, which is circled in red. There is also a link 'Click Here to Start New Search' at the bottom left of the form.

2. When the window below appears, scroll to the bottom and simply click the "Click Here To Register" box (*you would think they would start w/ this option*)

US Lacrosse Member Number (if known):

We are not able to find an existing record based on the information you entered.

If you are renewing...

Please be sure to enter the information exactly as it appeared on your member card last year.

Still no luck? Please review these hints when conducting your search:

- Did you use a nickname or formal name last year?
- Did you double check the birthday?
- Has your zip code changed since last year?

You can conduct another search if these hints apply.

If you feel this is an error, please contact US Lacrosse at info@uslacrosse.org

If you are a brand new member, or wish to continue with the creation of a new membership, please click the button below.

Please note: If you are a returning customer, continuing without finding your existing record will result in the creation of a new membership number.

3. You will now complete a form and work your way through an 8 step process to registering your child. One pitfall to avoid (unless you are feeling generous) is found at *Step 7: Support US Lacrosse*. I suggest clicking the “Continue” button next to the sentence “I do NOT wish to make a gift at this time”.

Step 7: Support US Lacrosse

Membership Information for Jane Doe

While we appreciate your support, donations are NOT required. Please click "Proceed to Step 8" to bypass.

I do NOT wish to make a gift at this time.

This will lead you to Step 8 which includes paying your \$25 membership.

Step 2: To register with Cherokee Youth Lacrosse Association (CYLA), go to www.cherokeelacrosse.com and click the “**Registration**” tab at the top of the page. The price is **\$270** and includes jersey, shorts and 8 regular season games and end of season tournament. Practice will start in early February and games begin late February. Within the registration tab, select the girls U13 or U15 groups (depending on your daughter’s birthdate).
