

BASEBALL NEWFOUNDLAND AND LABRADOR

Welcome

The BNL Girls 16U coaching staff is very excited for this year given the results of the BNL 16U program in 2018 and the potential pool of players available for the team in 2019.

Players should relish the opportunity to play for a provincial team at a National competition especially with the recent changes to the format of the event last year to make it more competitive.

We strongly encourages all Female players in the province who have an interest and are eligible for the team to come out.
