2020 14U HIGH PERFORMANCE PROGRAM INFORMATION

The Baseball NL 14U Girls High Performance Program is very excited to announce the following details for 2020.

The purpose of the High Performance Program is to develop standards and principles, and to facilitate the growth and development of female athletes and coaches to help prepare them for future high performance female competitions such as the 16U, 21U, and Open national competitions.

The opportunity to play for a provincial team at a National or Atlantic competition is a great opportunity and we strongly encourages all Female players in the province who have an interest and are eligible for the teams to come out.

We also encourage all female athletes to participate in training programs in their region prior to the identification and selection process for the 14U High Performance Program.

Roster

Two teams will be selected with the goal for each team to be balanced in all aspects (coaching, roster, pitching, offense and defense) and not based on geography. Each team will carry a maximum of 15 players, which can include 2 overage (2005) players and 2 designated alternates.

Players selected to the program must be able to attend the 14U Atlantics in Nova Scotia (September 11 - 13).

Coaching Staff

The coaching staff for the 14U High Performance Program will be identified through an Expression of Interest process with the aim of inclusion of female coaches and regional representation where possible. *(All coaches will have to meet or be prepared to meet the necessary NCCP requirements to be able to participate in the program).*

The program will also be supported by:

Tryout Process

Players will attend regional ID camps as the first step in the tryout process. Players are required to register online for the regional ID camps by completing the BNL “Provincial Teams Tryout Registration Form” online at www.nlgirlsbaseball.com by **Thursday April 30th, 2020**.

Cost of the regional ID camps will be **\$60.00** and can be paid at the regional ID camp by (Cash or Cheque – cheque payable to Baseball NL) or at any time prior via Email money transfer to michellemhealy74@gmail.com.

Any player attending a regional ID camp for the purpose of both 14U and 16U identification will only have to pay the \$60.00 fee once.

Following the regional ID camps, selected players will be invited to attend a final tryout camp. There will be no additional registration cost for the final tryout camp but players may have to travel.

If any player is unable to make a regional ID camp, please contact Female Baseball Director - Mark Healy via email, text or phone (709.685.0727) to discuss.

Finances / Travel / Logistics

Once the teams, schedule and travel is finalized we will develop a budget in consultation with players & parents that clearly outlines the financial, time and travel commitments for each player and communicate accordingly by mid-July.

There will be team and individual fundraising activities planned during the summer to help offset costs. Some players will have to travel more than others because of physical location and the team will work to offset additional costs as well.
