The BNL tryout fee is \$35 and an **online form must be completed three days before the start of each regional tryout.** The form can be found on the BNL website www.baseballnl.com

From all the tryouts we will select approximately 28 age eligible players and 4 overage players as part of this program. Age eligible players will have birth years of 2004, 2005 or 2006 and overage players with a birth year of 2003.

From late October / early November to mid-April we will work out with these players once a week in an indoor facility within each region. In addition to this, we will provide the selected players with a strength and conditioning program that they can do on their own time each week.

If a player is selected to and accepts their spot as part of the winter training group, the cost of the winter training program is \$250.

In late April all the shortlisted players will meet in St. John's for a training and evaluation camp. From this camp the players will be placed on one of two teams to compete in a final off island tournament. Based on the winter training, evaluations in April and this tournament the 2019 15U team will be selected. We anticipate that the cost of the evaluation tournament will range from \$1500 to \$1750 which is in line with past travel arrangements.

In the fall of 2019 we will repeat a similar process to reevaluate all players that are interested in the program.
