## SPONSORSHIP REGISTRATION FORM 2014

The IHN Warriors Baseball Club is a faith-based athletic environment for the development of student athletes, using sports as the vehicle to deliver faith-based messaging and counseling.  
We operate primarily as a travel-baseball club.

We prioritize God, family, academics and baseball. We provide skilled instruction and high level, quality competition for energetic, dedicated baseball athletes. We believe in faith and family first. Each Warrior must believe in practice, a strong work ethic and a positive attitude. We build self-confidence and character in our athletes by teaching players skills, discipline and physical conditioning. Warrior athletes appreciate and respect the values of hard work, team work, and sportsmanship.
