

Northwest Voyager Softball

Sponsorships

On behalf of Northwest Voyager Softball, we would like to extend you or your company an invitation to consider becoming a sponsor for our 2020 season.

We are a non-profit organization serving young ladies in the Grand Island area. Our program teaches girls 6 thru 18 years of age the fundamentals of softball. These girls not only learn the game but many important life skills including teamwork, how to be competitive, mental skills and more. Our program is 100% volunteer-run, including the board of directors, coaching staff, and everyone else that spends time contributing to the program.

We have several projects to undertake this upcoming year in order to provide a better environment to further our mission to teach children the fundamentals of softball and give them the life skills of sportsmanship, perseverance, and teamwork.

Your sponsorship and any additional donations will help us tackle the following projects:

- Purchase of new equipment for players, including catchers' gear, balls, etc.
- Rental of fields, and field house for practices.
- Provide skills camps for our players and coaches.

If providing sponsorship is an option for you or your company, please take some time to review the sponsorship information.

We are always open to creating a custom package for businesses that want to combine sponsorship with donated items or services to tailor fit your marketing and philanthropic goals.

We Thank You!
